### Principals message

We are approaching the end of the year of 2023-2024 school year. We are continuing to strive for the quality education of our students.

We thank parents/guardians who continue to support us with their Childrens attendance and monitoring their child's progress in class.

With alot happening, we look forward to our planned events, especially our upcoming Kindergarten Graduation and Grade Six Prom being planned for next month.

Congratulations, Students!
